Nekos-Dedrick's Pharmacy
86 North Front Street
Kingston, NY 12401

Dear Dr. Nekos:

I am pleased to inform you that Nekos-Dedrick's Pharmacy has been approved for accreditation as a "PCAB[®] compounding pharmacy" for sterile and non-sterile compounding services. Your accreditation is effective as of July 22, 2011 and will continue contingent upon ongoing compliance with PCAB standards and payment of your annual renewal fee.

PCAB was created by the leading organizations in the pharmacy profession for the purpose of recognizing those compounding pharmacies that have demonstrated their outstanding commitment to quality. Currently, there are more than 100 PCAB[®] Accredited pharmacies nationally.

With your pharmacy's designation as a PCAB[®] compounding pharmacy, patients and practitioners can know that Nekos-Dedrick's Pharmacy ranks among the best compounding pharmacies in the country for compliance with quality standards. This is visible evidence of your commitment to your patients and the pharmacy profession.

Please accept my congratulations on behalf of the pharmacy profession and the patients you serve. Professional self-regulation is the most effective means in assuring integrity and quality.

Sincerely,
